

UMBRA INDUCTION

1500*3200*12MM

*Ultra Rough, Natural Finish
Bush-Hammered
Made for Velacucina - Italia*

The earth is the inspiration to create Umbra. Its characteristic veining and its brown, reddish and black tones generate a play of shadows and depth that make it an avant-garde piece for luxury and a personality statement.

METEORA INDUCTION 1500*3200*12MM

*Ultra Rough, Natural Finish
Bush-Hammered
Made for Velacucina - Italia*

Meteora takes its design cues from one of the largest meteorites to ever hit the Earth's surface, almost two centuries ago. It forms an out-of-this-world color palette merging gold particles with earthy reds and gray. A captivating masterpiece capable of adding beauty and refinement to any design.

JASPER INDUCTION

1500*3200*12MM

*Ultra Rough, Natural Finish
Bush-Hammered
Made for Velacucina - Italia*

Jasper is a statement of bold naturalism. With its deep, mineral-rich hues and sculpted surface, it channels the timeless character of quarried stone. The texture invites touch layered, dimensional, and alive with movement making it an ideal surface for interiors that embrace strength, authenticity, and grounded beauty.

MAUNA INDUCTION 1500*3200*12MM

Natural Finish
DT (Digital Texture)
Made for Velacucina - Italia

Mauna emulates the texture of volcanic lava when it pours out onto the Earth's surface after an eruption. With its black surface and digital relief pattern, this collection, inspired by the world's biggest volcano, is perfect for creating sober-looking settings with a strong personality.

ARES INDUCTION 1500*3200*12MM

Natural Finish
DT (Digital Texture)
Made for Velacucina - Italia

Ares is the quiet force within a space, subtle yet commanding. Inspired by the meeting point of stone and cement, its surface blends soft greys with natural depth, creating a refined canvas of texture and shadow. The finish is smooth to the touch, but visually rich, perfect for interiors that seek understated strength and sculptural elegance.

PACIFIC INDUCTION
1500*3200*12MM

Ultra Rough, Natural Finish
Bush-Hammered
Made for Velacucina - Italia

Pacific is serenity captured in stone. Inspired by the rhythm of the ocean, its gentle veining and softened tones mirror the quiet erosion of rock shaped by tides. The surface feels timeless, fluid yet grounded, making it an ideal choice for spaces that embrace calm, continuity, and refined minimalism.

PETRA INDUCTION

1500*3200*12MM

*Ultra Rough, Natural Finish
Bush-Hammered
Made for Velacucina - Italia*

Petra is inspired by natural limestone formations, authentic natural works of art. Petra is conspicuous for the warmth and beauty of nature's random patterns, and its whimsical veins and relief textures and the collection's large format combine to bring charm to living spaces.

DUNA INDUCTION

1500*3200*12MM

Natural Finish

DT (Digital Texture)

Made for Velacucina - Italia

Duna captures the movement of nature shaped by wind and time. Its sculpted surface, reminiscent of windswept sand dunes, brings depth and light into a space. With a soft stucco texture and luminous tone, Duna is perfect for interiors that seek warmth, tactility, and a sense of quiet sophistication.
